WORK AND SERVE ABROAD

Are you interested to gain work experience abroad and help in a service project?

The **Rotary New Generations Service Exchange** offers High School Graduates, University Students, Trainees and Young Professionals great opportunities to earn professional insight and experience in another country, to meet friends, and to learn about another culture, people, history and

PROGRAMS FOR INDIVIDUALS

If you want to get professional know-how in another country after high school graduation, during your university semester break, or your job training, look for an Individual Exchange.

You will visit a business concern, plant or administration for a few weeks or months and will be introduced to work conditions and specifics.

In accordance with the objectives of Rotary the

PROGRAMS FOR GROUPS

During a Group Exchange young adults visit a foreign Rotary District for 3 to 5 weeks. The group normally incorporates six to ten participants. The members may, but not necessarily must, have the same vocational or education background.

During the trip the group will be hosted in different cities and by different Rotary Clubs. They will be introduced to local industry, business, administration and cultural

Possible Subjects to be discussed – Best Practice

1: The Application Process

- Content and Format of the Application Form
- Timeframe
- Club and District Requirements

2: Club and District Structure and Organization

- How to organize a group resp. individual NGSE? Program Acquisition
- How to organize hosting?
- Is a combination of vocational and service parts possible? How?
- Organizational Costs; who pays for what?

3: Establishing a Network

- International Website
- Use of a Multidistrict Structure
- Organizing an International Directory
- Cooperation with the youth exchange program

4: The Legal Framework

- Content of an Exchange Contract
- Recognize local laws
- “Salary” for Internships?
- Which insurance are necessary and/or compulsory?
