Committee on Organization

Prior NAYEN Organizational Structure

1. Based on RI Zone Structure
2. RI Zones 21 – 34 (Total of 14 Directors)
3. Two Year Terms
4. Elections Odd Zones => Odd Years
 Even Zones => Even Years
5. No Term Limits

Committee on Organization

Prior NAYEN Organizational Structure Strengths

1. **Breadth of Board membership prescribed**
2. **Two year terms with alternating election cycle help ensure continuity**

Committee on Organization

Prior NAYEN Organizational Structure Issues

1. **New RI zone structure as of July 1, 2009**
 - ❑ Some zones went from even to odd and odd to even
 - ❑ Zones 22 and 23 no longer have districts in USA/Canada/Mexico.
2. **Zone structure based representation on relatively equal number of Rotarians rather than the level of youth exchange activity**
3. **Multi-districts that span multiple zones may have over- or under- representation on the Board.**
4. **Difficulty of electing Directors from zones in which youth exchange activity is relatively low**

Committee on Organization

Objectives

1. Recommend changes in the process for the nominations of officers and directors for NAYEN that will remain valid for an extended period of time.
2. Recommend a nomination process that recognizes the distribution of youth exchange activity with NAYEN.
3. Develop a new nomination process that was simple to explain and simple to implement.
